NATURALIZATION IN MASSACHUSETTS.

PERSONS NOT REQUIRING NATURALIZATION.

The following classes of persons are citizens of the United States by right of their birth, and do not require to be naturalized:

1. Persons born in the United States, and not subject to any foreign power, excluding Indians not taxed. U. S. Rev. St., § 1992.

2. Persons born out of the United States, if at the time of their birth their fathers were citizens thereof; but this rule does not apply to any person whose father never resided in the United States. U. S. Rev. St., § 1993. See also § 2172.

3. Persons whose parents have been duly naturalized, if they were under the age of twenty-one years at the time of the naturalization of their parents. U. S. Rev. St., § 2172.

4. Persons whose parents have made the primary declaration of intention to become naturalized, but have died before their naturalization was completed. This class, however, must, before being entitled to all the privileges of citizens, take "the oath prescribed by law." U. S. Rev. St., § 2168.

5. Certain deserters from the military or naval service of the United States are to be deemed to have forfeited their rights of citizenship. U. S. Rev. St., §§ 1996–8.

PERSONS WHO MAY BE NATURALIZED.

No person can be naturalized except in the following cases:

1. He must be included in one of the three following classes, namely: "aliens, being free white persons," "aliens of African nativity," and "persons of African descent." U. S. Rev. St., § 2169. U. S. St. 1875, c. 80, § 1, par. 27.

2. He must have *resided within the United States "for the continued term of five years next preceding."* U. S. Rev. St., § 2170.

3. He must have resided for *one year at least within this State."* U. S. Rev. St., § 2165.

APPLICATIONS FOR NATURALIZATION.

A person who desires to be naturalized must make application to the Circuit or District Court of the United States, to the Supreme or Superior Court of this State in the county within which such court is held, or to a Municipal, Police, or District Court of this State established for the district in which the applicant resides. U. S. Rev. St., § 2165, cl. 1. Mass. St. 1885, c. 345, § 1.

If the applicant was *over eighteen years of age when he came to the United States*, he must, two years at least prior to his naturalization, file before one of said courts, or with the clerk thereof, a declaration of his intention to become a citizen. U. S. Rev. St., § 2165, cl. 1. U. S. St. 1876, c. 5. Mass. St. 1885, c. 345, § 1. This constitutes what is known as "taking out his first papers."

If the applicant was *under eighteen years of age when he came to the United States*, and has continued to reside here up to the time of his application, he may, after he has reached the age of twenty-one years, be admitted to citizenship without having made any preliminary declaration of intention. U. S. Rev. St., § 2167.

If the applicant has been *honorably discharged from the armies* of the United States, he may be naturalized without any previous declaration of intention, and although he has resided only one year in the United States. U. S. Rev. St., § 2166.

A seaman may be naturalized if, after filing his declaration of intention, he has served three years on a merchant vessel of the United States, and can produce a certificate of discharge and of good conduct during that time. U. S. Rev. St., § 2174.

A final application for naturalization, when made to any of the State courts, may be filed either in term time or in vacation; but must be filed at least fourteen days before final action can be taken upon it, and such action can be had only on stated days or during the regular terms of the court. Mass. St. 1885, c. 345, § 2.

Such application must "contain the name, age, and occupation of the applicant, and the name of the street and number of the house in which he resides, and the names of the persons whom he intends to summon as witnesses at his final hearing, together with the number and street of the residences of such witnesses; but when the number and street cannot be given, the place of residence shall be described with sufficient accuracy for identification." Mass. St. 1885, c. 345, § 2.

Every applicant for naturalization must "give notice of his application to the clerk of the city or town in which he resides, at least fourteen days before final hearing on his petition, which notice shall also contain his full name, age, occupation, and residence." Mass. St. 1885, c. 345, § 3.

No person can be registered as a voter within thirty days after his naturalization. Mass. St. 1885, c. 345, § 7.

Registration ceases in towns, on the Wednesday next preceding the day of election; and in cities, on the Saturday next but one preceding said day. Mass. St. 1884, c. 298, § 37. As under this statute registration for the State election of 1885 ceases in towns on October 28th, and in cities on October 24th, any person desiring to vote at that election, must, if residing in a town, be naturalized on or before September 28th, or if residing in a city, on or before September 24th. If his application for naturalization is made to a State Court, it must be filed at least fourteen days before the dates above named,—or on or before September 14th in the case of a person desiring to vote in a town, or on or before September 10th in the case of a person desiring to vote in a city.

Blank forms for declarations of intention, and for applications for naturalization, may be obtained from the clerks of the United States Courts, and probably from the clerks of most of the State Courts.

In the United States Courts the following rules are enforced:

Each applicant upon making his final application, must bring with him before the clerk of the court two witnesses, both citizens of the United States, who must be prepared to swear that they have known him for five years, and that he has during that time conducted himself as a man of good moral character.

The applicant must also bring with him his "first paper," if he has taken out any; and, if he is a soldier, he must bring his discharge.

The FEES in the State Courts are fixed by statute as follows: For receiving primary declaration, $1.00. For final application, $2.00. For making out the papers for either of the above, $1.00. City and Town Clerks, for recording notice, etc., are entitled to a fee of 50c. Mass. St. 1885, c. 345, § 6. In the United States Courts the customary fees are the same as in the State Courts.
